

PE and Sports Premium Funding 2019-20

What is the PE and Sports Premium?

The government provides supplementary funding for schools and academies to make additional and sustainable improvements to the quality of PE and Sport.

This money presently equates to £16000 per school per year plus an extra £10 per child. For this academic year our school will receive £18770 for our pupils.

At Rowlatts Hill, we identify the contribution of PE and Sport to the health and well-being of the children. We are firm believers that an innovative and varied PE Curriculum, combined with regular extra-curricular activities have a positive influence on developing children's physical literacy resulting in increased levels of concentration, attitude and academic achievement of all our children.

How do we use the Sports Premium Funding?

At Rowlatts Hill, we use the PE and Sports Premium in the following ways:

- Sports Clubs run by Staff
- CPD Opportunities for Staff
- Participation in Sporting Events
- Continuing Links with Local Sports Clubs
- New Sports Equipment
- Running of After School Clubs
- Running of Lunch Time Sports Clubs
- Transport (Minibus and Companies)
- Sourcing a Greater Range of Sports Skills
