### How will this work:

#### Daily Tasks and Pre-Recorded Lessons:

- Firstly, you will be contacted to pick up a Home Learning Pack for your child from school. This will contain the Tasks that the pupils need to complete each day – these will be linked to the Daily Pre-Recorded Lessons provided by teachers.
- Each day you will receive a Weduc post which will contain:
  - a link/video for the Pre-Recorded Lesson.
  - the daily tasks that need to be completed from the Home Learning Pack. **Only complete worksheets when instructed.**
  - a reminder to upload evidence of your child's work to Weduc.
- This will be repeated each day for the new Pre-Recorded Lessons and Daily Tasks.
