CHANGES TO THE START AND END OF THE DAY

To all parents/carers

From **Monday 12th October** the timings at the start and end of the day will change to help accommodate our families better. This is reverting back to more familiar timings from before lockdown.

The new timings will be:

Year Group	Doors open...	Must be in class by...	Doors closed at...	End of the day
Nursery	8.35am	8.55am	9.00am	12.00pm
Foundation Stage	8.35am	8.55am	9.00am	2.55pm*
Year 1	8.35am	8.55am	9.00am	2.55pm
Year 2	8.35am	8.55am	9.00am	3.00pm
Year 3	8.35am	8.55am	9.00am	2.55pm
Year 4	8.35am	8.55am	9.00am	2.55pm
Year 5	8.35am	8.55am	9.00am	3.00pm
Year 6	8.35am	8.55am	9.00am	3.00pm

***Foundation Stage children will continue to leave from the Nursery building.**

Our doors will open at 8.35am for all year groups. Staff will take children's temperatures outside and the children can then go in. **Parents will still not be permitted in school.**

At the end of the day, there may be some congestion near the school office for parents waiting for the 3.00pm children.

It is important that you do not wait near staff cars and allow space for other children/families to exit the grounds without compromising 2m social distancing.

The One Way System will still apply. Come in from the bottom of the drive and leave via the side gate.

Please turn over...

Please remember to **maintain 2 metre social distancing at all times.**

This system will help families at both ends of the day and hopefully reduce congestion in the car park and outside the school.

Attendance has been fantastic since we came back after the summer break and late marks have been very few. Please make sure your child is in school on time (certainly before 9.05am) or the late marks become an unauthorised absence and may be passed on to the Education Welfare Officer.

Kind regards

Ms J Virk
Principal
