

Useful Contacts

If you feel that you are not coping and need some help, please talk to someone you trust. You are never alone. If you feel that your parent/carer, friend or teacher is not right for you, you can get help online, via text/telephone, and even through apps on your mobile phone/tablet. These have been listed below for you:

Useful Contacts

If you are in immediate danger, contact 999.

For urgent NHS mental health support, contact Central Access Point (CAP): 0808 800 3302 (24/7 for all ages)

For other, non-urgent support contact NHS 101 or CAMHS Crisis Team (0116 295 0485).

For any medical help, telephone 111 (available 24/7)

Mobile Phone/Tablet Apps

Breath2Relax

This app can help you manage stress, record and visualise your current stress levels, and teach you breathing exercises.

Head Space

Headspace teaches you meditation skills that can be used at any time or place.

Happier

Use this app to lift your mood, take a quick meditation pause, or capture and savour the small happy moments that you find in your day. Contains a gratitude journal & expert-led courses.

Well Mind

An NHS mental health and wellbeing app designed to help you with stress, anxiety and depression. It includes advice, tips and tools to improve your mental health and wellbeing.

SAM: Self Help for Anxiety Management

SAM will help you to understand what causes your anxiety, monitor your anxious thoughts and behaviour, and manage your anxiety through self-help exercises and private reflection.

Mindful Knats

Mindfulness and relaxation skills

Mindshift CBT

A self-help anxiety relief app, that helps you reduce worry, stress, and panic by following evidence-based strategies.

Think Ninja

Helps you to learn and develop skills for when you are experiencing stress or anxiety, or low mood – based on CBT.

Rise Up + Recover

For those struggling with food, dieting, exercise and body image – based on CBT.

Smiling Mind

Meditation app to de-stress and keep calm, developed by psychologists

Super Better

Free games to build resilience, achieve goals, and tackle challenges including anxiety, depression, stress etc.

Calm-Harm

This app helps to manage the urge to self-harm, provides comfort and safe alternatives. Helps you to learn to identify and manage your 'emotional mind' & track progress.
