

How do we know the dinosaurs existed? (4 weeks)					
<u>Launch</u>	<u>Intent</u>	Key Concepts			
Dinosaur excavation in sand. Use prediction to guess the bone belonging to animals.	 For pupils to have an increased understanding of dinosaurs, how we know about them and links to locality. 	•			
<u>Core Texts</u>	<u>Cross-curricular Links</u>		Key Figures		
• .			Mary Aniing		
Nature Connectivity	ICT/ Useful links	<u>Enrichment</u>	<u>Oracy</u>		
Prepare allotment boxes. Planting vegetables ready for Summer 1.	Ice Age The Good Dinosaur	Trip to New Walk Museum to view dinosaur fossils. Dinosaur area exploration.	•		

	Sequence of Lessons				
Lesson	<u>Learning Challenge</u>	Learning Flashbacks	<u>Adaptations</u>		
1. History	Can I understand what a dinosaur is? Can I explain what a fossil is and why they are important?				
2. Science/ History/	Can I understand who Mary Anning and what she discovered?				
3. Geograp	Can I understand why the Jurassic Coast is special location? Look at Lyme Regis on a map (Link back to Mary Anning) Can I identify where fossils of dinosaurs can be found? Dinosaurs swam there located near water.	Weather in Durdle Door in Autumn 2.			
4. Geograp	Can I identify fossils of dinosaurs from within the local area? Ichthyosaur discovery in Rutland *Trip To New Walk				
5. History	Can I understand the different periods of the dinosaur era and order on a timeline? Can I explore what it was like in dinosaur times?				
6. History	Can I explain how that was different to today? (weather, environment, no humans)				
7. Science	Can I understand the terms carnivore, herbivore, and omnivore?				
8. History/ Science	Can I explore different dinosaurs and name some and group them according to their diet?				
9. Science	Can I look at the physical features of dinosaurs and sort them based on this?				
10. History	Can I explain why dinosaurs are no longer alive? Asteroid from space caused an ice age.				
11. Design Technol					
12. Design Technolo	Can I look at a range of joining techniques?				
13. Design Technolo	Can I identify what technique is used to join materials?				
14. Design Technolo	Can I practise a range of joining techniques?				
15. Design Technolo	Can I design a junk model dinosaur?				
16. Design Technolo	Can I join materials to create a junk model dinosaur?				
17. Design Technolo	Can I paint to finish my junk model dinosaur?				
18. Design Technolo	Can I evaluate my finished junk model dinosaur?				
19. Religious Studies	Can I explain who Jesus is and why he is important to Christians? Can I explain what Jesus taught Christians?				
20. Religious	Can I describe what makes someone Christian?				
Studies	Can I explain why Easter is important for Christians?				
21. Science	Can I plant seeds/bulbs and observe to observe growth over time? (see working scientifically document) to prepare for D&T in Summer- plant lettuce, tomatoes and cucumber, cress.
